Hood wink the Czar's Soldiers.

frontier on the German boundary was guarded in a surprisingly weak manner for as the Czar's great empire, says the New cordon of garrisons, only a few miles them. The chief duty of these garrisons

For the most part these garrisons con-sist of young recruits from the easters and central provinces of Russin. They are seldom expert soldiers, and the lax discipline they are under is further weakened-by their excessive drinking. Their small expended in vodka. After the vodka is making raids across the boundary fine into the German farmyards to supplement their

these two countries there is a series of wind blows in winter, and the only way the soldiers can keep alive on thier patrol is by the building of wood fires between marches to and fro. Hence it is not at all difficult to smuggle across the boundary. deals with the smugglers and turning their beads the other way when they pass by. nity, both of which proved successful. In

of men who passed themselves off as pious pilgrims entering Russia on a sacred jour-
